

# Senior Budget Management System Release Bulletin

It is our pleasure to introduce you to the latest enhancements to the **SENIOR BUDGET MANAGEMENT SYSTEM**.

## Purchase Request Approval

If the **GENERAL LEDGER** preference "Only managers can approve over-budget Purchase Requests" is set to Y, purchase requests that are over budget will prompt the supervisor with a message that tells them it requires manager approval. The system then requires the supervisor to select the Pending Approval status and submit the request to a manager.

## Comments in Account Details

Comments for G/L accounts are now available in the Account Details view.
